

How to Join!

Joining P.E.T.A.C. is simple! Members participate in a monthly membership conference call, in which current

events and concerns are shared and solutions are discussed.

Annual dues are \$60.00, payable by cash, check or debit/credit card in a single payment or \$10 installments.

As a black family SuperPAC, our dues enable us to influence outcomes and give a collective voice to concerns about our children. Paid members are extended voting privileges and other select benefits throughout the year.

To join the progressive-minded members of P.E.T.A.C.:

- 1) Visit our membership page at:
www.blackparentconnect.com
- 2) Hover over PETAC and select Membership Application to complete your member profile
- 3) You will receive a confirmation email with conference call details.
- 4) To pay your dues:
visit PETAC Members Only/ Pay Dues

Welcome to P.E.T.A.C!

About P.E.T.A.C.

P.E.T.A.C. was formed in 2014 as a place where Black parents and concerned adults from across the country share resources, tips and opportunities for our children, who we refer to as our “future dreamers, leaders and achievers!” P.E.T.A.C. recognizes that Black children have a unique set of skills, values and challenges. It is an answer to the lack of information in the Black community regarding tools for improving the prospects for our children, who face tremendous odds. Our goal is to establish a strong and effective Black family support community.

P.E.T.A.C. is open to all concerned parents and adults who are willing to work together to share time and resources.

We Care.

We Share.

We Make Aware.

THE P.E.T.A.C. AGENDA

The Number One goal for P.E.T.A.C. is to become a highly effective think tank and resource for those committed to the advancement of our future dreamers, leaders and achievers. We will pursue this goal through persistent information sharing in meetings, workshops, conferences and by supporting efforts that meet this objective.

P.E.T.A.C. is:

POLITICAL: We will closely observe political activity at the local, statewide and national levels to identify candidates and legislation that are beneficial and detrimental to our future dreamers, leaders and achievers.

ECONOMIC: We are committed to increasing our financial independence, by generating revenue, supporting businesses that serve our interests and refraining from those that do not.

TECHNOLOGY: We will promote and provide opportunities that expose our future dreamers, leaders and achievers to advancements in science and technology and use such advancements to broaden our reach as an organization.

ACTION: We will intentionally participate in activities that enhance the self-determination and progress of our future dreamers, leaders and achievers. We will teach, we will advocate, we will collaborate, we will show up, we will finance, we will build to that end. We will act.

COMMITTEE: We will operate as a collective body and consider the input and well-being of the membership at-large. We will operate with a “we” over “me” mindset and allow the spirit of unity to prevail in all decision-making.

P.E.T.A.C. PROUD!

Although P.E.T.A.C. is still in its infancy, it has accomplished a number of noteworthy goals!

- 1) Established a vision that will position the organization to help children, families and communities to excel against the odds.
- 2) Hosted monthly membership conference calls with members from more than ten states and the District of Columbia.
- 3) Hosted four parent workshops on such topics as supporting our Gifted and Talented students, Super PAC development and the role of the American Civil Liberties Union. (ACLU).
- 4) Donated to the Kickstarter Campaign to fund “Till”, a documentary about the life of Emmitt Till.
- 5) Created a member-based business network, offering marketing and planning support.
